Crosses of Gold - Purchased: 01/02/2018 - Expires: 01/02/2018

Average Earnings - Average earnings of all foals.

Average Earnings Minus Top Foal - The Average minus the Top Performer shows what the average earnings for each foal would have been when the leading money-winner is excluded, to show how much of an influence that leading performer has had on overall earnings.

Median - Median earnings are calculated on foals that have started. All other racing statistics in the reports are based on the number of foals, rather than the number of starters.
