* Underlying data for the Crosses of Gold, and break-outs for the individual crosses for a sire, can be found in the following manners:

- For sires, use the **Foal Listing For Sire** report (\$3.75 member price/ \$5.75 non-member price), and sort the "First Sort" field by "Sire of Dam"
- For broodmare sires, use the **Foal Listing For Broodmare Sire** report (\$3.75 member price/ \$5.75 non-member price), and sort the "First Sort" field by "Sire".

Crosses of Gold - Purchased: 02/10/2016 - Expires: 02/10/2016

Average Earnings - Average earnings of all foals.

Average Earnings Minus Top Foal - The Average minus the Top Performer shows what the average earnings for each foal would have been when the leading money-winner is excluded, to show how much of an influence that leading performer has had on overall earnings.

Median - Median earnings are calculated on foals that have started. All other racing statistics in the reports are based on the number of foals, rather than the number of starters.
